Khushbu Mantry

My name is Khushbu Mantry . I am a privileged student of Lakshya Institute of Technology pursuing BSc in Computer Science . I have done my matriculation in Sri Aurobindo Centre of Intrigal Education with a percentage of 70% and recently completed my 12th from Banki Higher Secondary College securing 57% . I'm a good in dance and too got some prizes . Singing and Drawing are one of my best to do thing in my free times . Also animations and listening to music ls are some activities that I love to do in my free time .By nature I like to make friends have conversation and make memories with them . Traveling new places and visiting peaceful nature related places are one of my best hobbies. I want to be a Software engineer by profession in my future for that I had chosen my path in this career by selecting Computer Science . I am more likely to be a sincere and hardworking one . According to me team work is one of my path that can lead to success easily . I will make my future through this path .
